Dear Saade:

On behalf of the Chattahoochee Nature Center Board of Trustees, our members, and the more than 100,000 people who visit us each year, thank you for participating in the 2005 Eagles for the Eagles Charity Golf Tournament on October 25th at Atlanta National Golf Club. Of your \$1,500 registration fee, \$980 is considered to be tax-deductible as allowed by law. With your help, this year's event helped raise approximately \$30,000 (net) for the environmental education, wildlife and horticulture programs here at the Chattahoochee Nature Center. As a small token of our appreciation, we hope you enjoy this team photo as a reminder of your chilly day out on the links!

Celebrating thirty years of excellence in environmental education programming, community service and partnership, the Chattahoochee Nature Center is in the process of positioning itself as a regional Center focusing on the Chattahoochee River watershed - from the headwaters in Helen all the way down to Columbus, Georgia. Expanding our mission and vision will grow our educational programs, engage more people in dialogue about the protection, enjoyment and understanding of this fragile area, and contribute to the protection of our state's most precious natural resource: the Chattahoochee River.

We invite you to learn more about our plans, to continue to support the Chattahoochee Nature Center, and of course to join us again next year in the 5th annual Eagles for the Eagles Charity Golf Tournament! Thank you again for your generous support.
