Dear Friend:

Enclosed is your 2006 annual statement outlining the charitable contributions you made to Easter Seals. Thank you for your generosity in 2006 and for having confidence in our stewardship of your gift.

We continue to provide ninety cents of every dollar to direct program services. Our young children with special needs and disabilities have had little details in their lives changed through early intervention and this will make a world of difference as each child grows up.

We are grateful to you for helping us provide these life-changing interventions. We wish you the best of everything in 2007. Thanks again.

Sincerely,

Grace
