Dear Mr. Hartwig:

On November 18, 2006, the City of St. Petersburg conducted its annual Employee Golf Tournament. The event was a huge success, due in large part to your generous contribution of \$200.00. On behalf of the Pinellas Education Foundation, the City of St. Petersburg, and the Employee Golf Tournament participants, please accept our sincere appreciation.

For nearly 20 years, the Pinellas Education Foundation has served as an advocate for public education, and provided enhanced educational opportunities to the students and teachers in Pinellas County Schools. We have developed a variety of innovative programs to meet the needs of our community, such as the Doorways Scholarship program, that has enabled thousands of economically disadvantaged students to attend college; the Teacher Grant program, that awards hundreds of teachers funding for special classroom projects each year; and the Gus A. Stavros Institute, which houses Enterprise Village and Finance Park, and is visited by more than 30,000 students each year.

Again, your support is greatly appreciated. I invite you to continue on the journey that you have started with the Pinellas Education Foundation. Together, we can change lives through learning.

Sincerely,  
  
Richard Engwall  
Senior Vice President
