July 24, 2003

Dear Buzz,

It was fun meeting you, Jill and some of your wonderful friends last Saturday night at the Millennium Dancesport Championship competition. It was quite a beautiful, unique evening. We do appreciate your coming.

We also want to thank you so much for your generous donation in being a sponsor for the Cocktail Benefit for The Spring of Tampa Bay. Your contribution will make a difference!

Just as a reminder ... The Spring of Tampa Bay recognizes that domestic violence is the leading cause of injury to women in this country. Since 1977, The Spring has provided sanctuary and services to over 25,000 abused adults and their victim children. They are the busiest of the Florida's domestic shelters providing specialized services for every member of the family.

Your donation through this Millennium event will help provide safety and support to victims of domestic violence...and we all thank you!

Sincerely,

Sarah Coates

Chairman of Benefit for The Spring
At the Millennium Dancesport Championships
